

Camp Kent Environmental Center

South Hampton Rd. (978) 834-0359

May 10th

Looking for something to do with the family, Mother's Day weekend? Join us as we host Heidi Wejman from [Windows on Wildlife](#) as she brings live owls and hawks and gives a talk on the life cycle of raptors. The program is free but space will be limited. Registration will be required and will open Wednesday, April 30th. To register email Camp Kent at campkent@amesburyma.gov with the number of people in your party. First come, first serve... don't wait!

June 3rd

Have you been inspired by the reboot of the program Cosmos with Neil deGrasse Tyson or are you a fan of stargazing and the night sky? Well, come and join Camp Kent as we host the North Shore Amateur Astronomy Club on June 3rd as they bring their telescopes and throw a Star Party! Free and open to the public. More details to come. Keep an eye on our facebook page or our webpage on the City of Amesbury website.

July 7th – August 14th

Camp Kent's Summer Environmental Program is now in it's 14th year. A Monday through Thursday day camp, Camp Kent offers a wide variety of activities designed to help participants explore and appreciate the natural world around them. If you like boating, hiking, archery, pond and water exploration, live animals, and games just to name a few things, then come join us for a week or even two! Find more information under youth services on the town website.
